

ANGELS N MOTION FAMILY FUN RUN

Sponsorship Opportunities

Greetings,

The Victim Assistance Volunteer Program (VAVP) is providing unique sponsorship opportunities for the 15th Annual Angels N' Motion Fun 5 and 10km Walk/Run, on Saturday September 27th, 2014.

Sponsorship support plays an active and vital role to the success of V.A.V.P programs and services which are key to promoting excellence and growth for our community based not-for-profit Registered Charity (RR882459985) victim assistance service. The VAVP assists the Burlington O.P.P. by providing short-term practical and emotional support to victims, witness's and family members involved in a fatal or serious motor vehicle collision.

Funds raised during our largest event of the year allows the program to maintain its liability insurance, provide continuous training for their volunteers and most importantly provide a highly experienced 24 hour victim assistance volunteer service to the O.P.P. officers and the communities they serve.

Taking advantage of VAVP Sponsorship provides:

- Maximum exposure for your brand
- Employ a unique opportunity to raise awareness and create interest in your brand, products or service
- Support your marketing goals

This is truly a community supported event which starts and finishes at the O.P.P detachment, 1160 North Shore Blvd E, Burlington, drawing participants and supporters alike from Southern Ontario communities. Burlington O.P.P. officers donate their time to assist at the event, ensuring the safety and enjoyment of all.

The Angels N' Motion Fun Run is for the whole family! The day is always a complete success with the help of volunteers, their families, community support and sponsors!

We look forward to discussing with you this unique opportunity.

Sincerely,

Tracy Vrkljan
